POINTS OF SPECIAL INTEREST TO THE SUPPLIER

Being a chemical plant, we ask your special attention for the following remarks, born out of our high safety concern:

The driver will understand at least one of the following languages: English / French / German / Dutch.

The driver will strictly respect the local safety and traffic regulations.

Access to production, storage and (un)loading areas requires following PPE: overall/safety helmet/safety shoes/safety goggles/gloves

Failure to comply with these rules may result in the goods being returned. In the event of a return, a compliant delivery must be guaranteed within 24 hours.

For confirmation of receipt and order confirmation, please send an email to the contact details stated on the order form (see top right corner) with confirmation number, our order number plus item number, your product description and our product code.

In case of changes, please contact the relevant service according to the contact details stated on the order form (see top right corner).
